Please call Nancy for more information.

## ICELAND GETAWAY – THE LAND OF FIRE AND ICE

February 1<sup>ST</sup> - 6<sup>TH</sup>, 2022

A bucket list trip. Fly from Newark on a flight that is about the same amount of time as Las Vegas. Because of the jet stream, the weather about that time averages above 32 degrees with sunrise about 10 a.m. and sunset is 5:30 p.m. Upon arrival we will have breakfast at the Viking World Museum before heading to the warm, thermal waters of the Blue Lagoon. Cover yourself with the healing mud and leave looking years younger. The not to be missed, full day, Grand Circle Tour will have you visit magnificent waterfalls and geysers along with a stop at Thingvillar National Park, Iceland's Grand Canyon and the home of the oldest Parliament building in Europe. We will also try to see the Northern Lights (never guaranteed) and if nothing is spotted the first time, we will try again the next night. One additional day for your own pursuits where you can visit the black sand beaches of the south shore or visit the interior of a glacier (the only one in the world); amazing! Our package includes round trip air on Icelandic Air from Newark, four nights hotel accommodations at the FossHotel Reykjavik with taxes and government fees, four Iceland breakfasts at the hotel plus one continental breakfast on arrival, stable visit, and greenhouse soup lunch while on Golden Circle tour, Blue Lagoon entrance and Northern Lights tour. Rate: \$1,699.00 per person double. A limited number of singles are available at an upcharge of \$350.00. Insurance is recommended and a passport is required. Price is based on a minimum of 20 passengers.

The lure of travel. It's like a magnetic pull. That need to get out there and feel wonder again. In a place like Dominican Republic. Immersive. Indulgent. And now, worry-free thanks to our free health coverage plan – the only country in the Caribbean offering you that peace of mind. Along with new safety measures on all of our properties. Which makes it easy to give in to that feeling you need to feel.

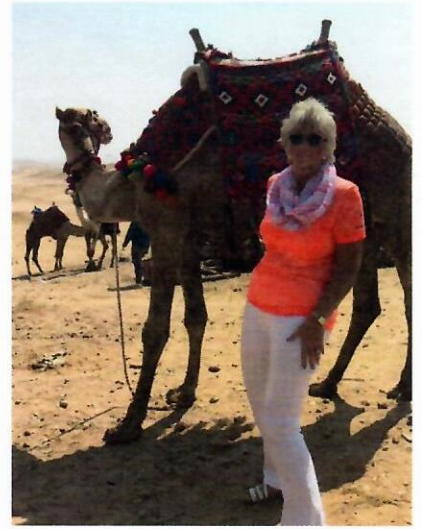

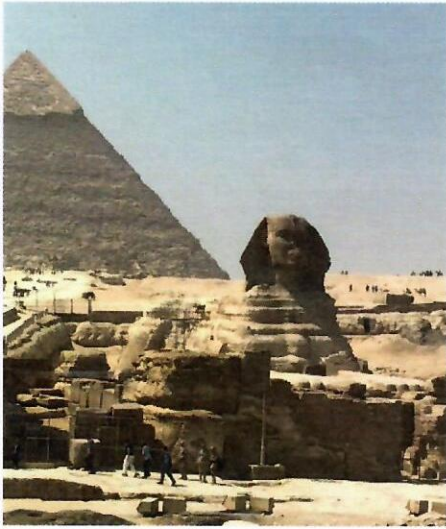

Some of the new measures include temperature checks, social distancing requirements, and no need to provide a negative PCR or COVID-19 test upon arrival. Instead, airports and other ports of entry will administer a quick, aleatory breath test to between 3% and 10% of passengers, and all those who present symptoms, upon arrival.

**Testing Offerings:** The Dominican Republic Ministry of Tourism is diligently working in coordination with the Dominican Government and the private sector to develop a comprehensive plan to address the CDC's new protocols requiring travelers as of January 26, 2021 returning to the U.S. to present proof of a negative COVID-19 or antigen test prior to departure. Following the launch of the Recovery of Tourism plan in September the Dominican Republic Ministry of Tourism worked to establish a series of PCR testing sites for tourists throughout the country. As of now, tourists can make an appointment for the PCR test sample collection through select channels. To inquire about specific testing offerings at your resort we recommend contacting your resort directly.

The Dominican Republic is also the only country in the region currently offering a free health coverage plan to ALL international tourists arriving on commercial flights and staying at a hotel on or before March 31, 2021. In the event of an infection or exposure to COVID-19, the travel assistance plan will cover medical attention by specialists, medical transfers, transfer of a relative, penalty for airfare changes, lodging for prolonged stays and more.

# Egypt

Sphinx, ballooning & my desert taxi

Egypt is country of fabulous sights and rich history. I was so surprised with the size of the Sphinx. I was expecting a much larger monument. Going the other way, I was also amazed at the 5'6" Tutankhumun; whose remains looked even smaller than that. The only thing more memorable than cruising the Nile was taking a hot air balloon over the desert to get a bird's eye view of history. For sure, one of my top ten ever experiences. Safe and a bucket list journey so worth the trip. Please send me some photos and a little story about a trip you've enjoyed and the memories you would like to share.

## Inspired by Iceland

The birds most frequently spotted along the coasts of Iceland include the Arctic Tern, eiders, waders, and passerine birds, as well as seabirds such as the Guillemot, Razorbill, the Atlantic Puffin, Fulmar, gannets, and various gulls. Destinations for bird watching day trips from Reykjavik include the Reykjanes Peninsula, the Snæfellsnes Peninsula or the Westman Islands, where Iceland's largest puffin population lives.

## Golden Cadillac

From the Star Clippers recipes—You'll be the king of the road when you mix up this creamy classic. This disco era cocktail is a sweet and creamy after dinner treat. Variations—Turn this drink into a frappe by blending together the liqueurs with heavy cream and ice for a slightly thicker drink. You can also substitute coconut cream for the heavy cream for a tropical twist, a version very popular in the 70's when Golden Cadillacs were the rage. This pairs well with a rich slice of cake. Serve in a champagne coupe.

INGREDIENTS: 1 oz. Galliano liqueur, 1 oz. white Crème de Cacao liqueur, 1 oz. heavy cream and garnish with chocolate shavings.

DIRECTIONS: Add all ingredients into a shaker with ice. Strain and garnish.

NOTE: Make sure to use white crème de cacao.

Though similar in flavor, it will obscure the Golden color of the drink.
