Experiencing Universal Florida With My Granddaughters!

Trip so far fantastic. Park clean and run smoothly.. Not allowed in without a mask. Social distances followed when getting on rides. They sanitize your hands before and after you get off. Sanitize stations thru out the park. Been living in the Harry Potter village and haven't a clue on what it's all about. The girls trying to explain it all to me but forget that. Went on the Mummy roller coaster because they said it was mild. Never saw anything. My eyes were shut and my 🖐️ knuckles were white. Wanted to kill them. Haven't gone on too many rides after that. KONG Skull 🦠 Island exhibit Fantastic. Been on it every day since we've been here.

Hotel clean and beautiful. Whole park very clean too. Going to Disney today and will look for brochures for you. Got some from Universal. Also I was very impressed how Frontier Airline and Terminal in Trenton was. Plane ✈️ And terminal very clean also. Small but just enough. Have only two gates but that's enough.

I know it's cold there because they had to d-ice the plane before we left. Weekend weather was hot ☀️ but rest of the week much ☁️ cooler. Food was good in restaurants we ate in and the package we signed up for with the hotel was worth its weight in gold. We get continental breakfast, snacks, hors-d oeuvers with wine and beer and dessert 🍰. All the bottle water we can drink. Worth every penny we paid. MaryAnn Rees

Places I've traveled to or want to...

I've been to many places in my career but I don't think I was ever *in Cahoots*. Apparently, you can't go alone. You have to be *in Cahoots* with someone.

I've also never been *in Cognito*. I hear no one recognizes you there.

I have, however, been *in Sane*. They don't have an airport; you have to be driven there. I have made several trips there thanks to my friends, family and work. I live so close, it's a short drive.

I would like to go to *Conclusions*, but you have to jump but I am not too much on physical activity anymore.

I have also been *in Doubt*. That is a sad place and I try not to go there too often.

I've been *in Flexible*, but only when it was very important to stand firm.

Sometimes I'm *in Capable* and go there more often as I'm getting older.

One of my favorite places to be is *in Suspense!* It really gets the adrenaline flowing and pumps up the heart! At my age I need all the stimuli I can get!

And, sometimes I think I am *in Vincible* but life shows me I'm not.

People keep telling me I'm *in Denial* but I'm positive I've never been there before.

I have also been *in Deeps**t* many times and the older I get the easier it is to get there. I actually enjoy it there.

So far, I haven't been *in Continent* but my travel agent says I'll be going soon.

Are you travelling soon?
