The Best Chicken and Rice

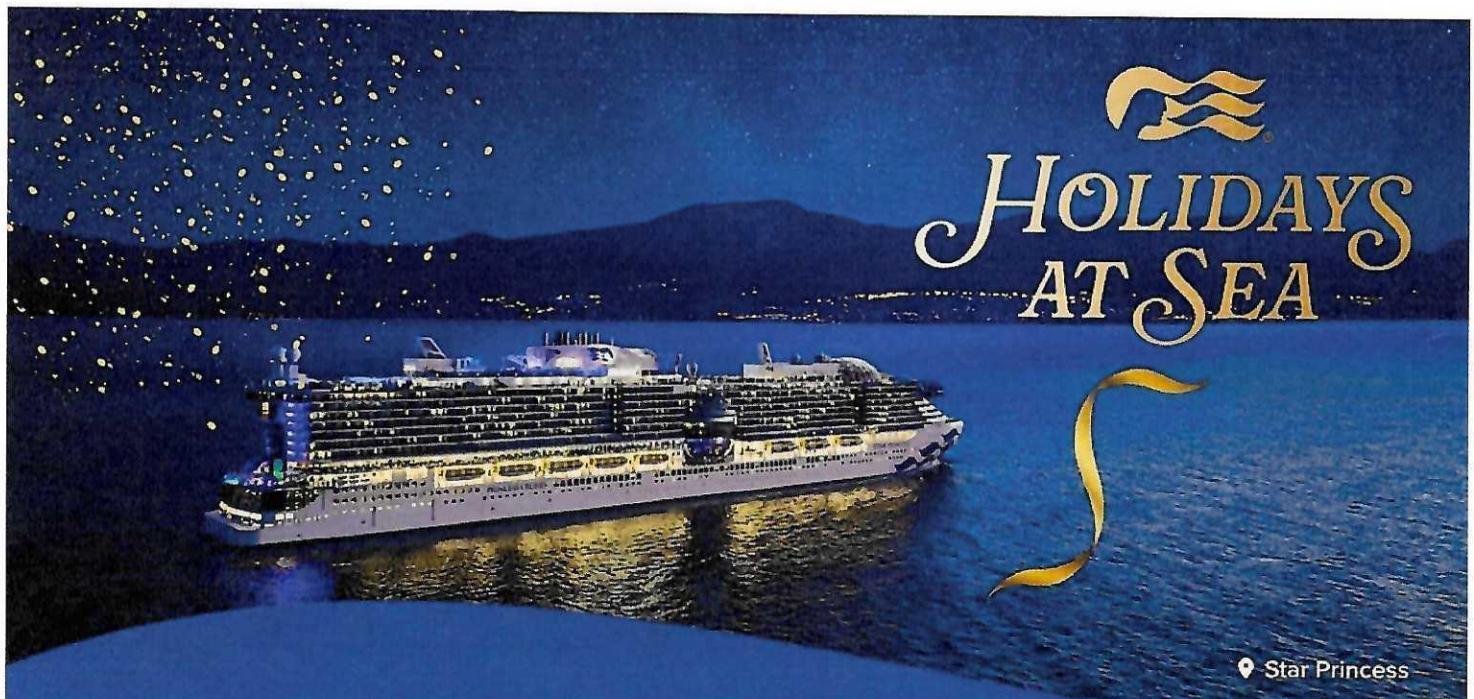

Could classic chicken and rice be one of the most beloved comfort dinners to ever hit the plate? We think so. And to blow your mind even more, this version is made in just one skillet. Here we use bone-in, skin on chicken thighs which cook up in exactly the same time as the rice to guarantee juicy chicken. A quick broil at the end creates the perfect crispy skin and gives a little crunch to the rice and vegetables.

Ingredients:

2 tablespoons canola oil
4 to 6 bone-in, skin on chicken thighs (about 6 ounces each)
1/2 teaspoon paprika
Kosher salt and freshly ground black pepper
4 medium carrots (about 12 ounces), sliced into 1/4-inch rounds
3 stalks celery (about 9 ounces), sliced 1/4-inch thick
2 large shallots (about 4 ounces), finely diced
2 cloves garlic, minced
1 tablespoon fresh thyme leaves, chopped
1 tablespoon fresh oregano leaves, chopped
2 teaspoons finely grated lemon zest plus 1 tablespoon lemon juice
1 cup long-grain rice
2 cups low-sodium chicken stock
1 tablespoon chopped fresh chives

Directions:

- 1 Heat 1 tablespoon of the oil in a large skillet over medium-high heat. Toss the chicken with the paprika, 1 teaspoon salt and a few grinds of pepper in a large bowl. Place the chicken skin-side down in the skillet and cook undisturbed until the skin is golden but not too dark, 4 to 5 minutes. Remove the chicken to a plate using a metal spatula and add the remaining 1 tablespoon oil to the skillet.
- 2 Add the carrots, celery and shallots to the skillet and cook, stirring occasionally, until softened but not yet turning golden, 4 to 5 minutes. Stir in the garlic, thyme, oregano, lemon zest, lemon juice, 1/2 teaspoon salt and a few grinds of pepper and cook just until you begin to smell the garlic, about 1 minute. Stir in the rice and cook undisturbed until lightly toasted, about 2 minutes. Pour in the stock, add 1/2 teaspoon salt and stir to combine, then add the chicken thighs back to the pan, skin-side up. Bring the liquid to a boil then cover, reduce the heat to a simmer and cook until the rice is tender and the chicken is cooked through, 15 to 20 minutes. Meanwhile, preheat the broiler.
- 3 Remove the lid from the pan and broil until the chicken skin is crispy and golden, 2 to 3 minutes. Sprinkle with the chives.

Cunard's Queen Elizabeth arrives in Seattle for summer of Alaska cruises

Cunard's Queen Elizabeth arrived in Seattle on June 12th where the ship will homeport for Alaska sailings for the first time. After its summer Alaska season, Queen Elizabeth will do another first-a full season of Caribbean sailings from Miami, beginning in October. The round trip Seattle itineraries are between seven and 11 nights.

The Alaska sailings will include lectures through Cunard's partnership with the Royal Canadian Geographical Society as well as 11 speakers from Alaska, including historians, photographers and a dance group.

The ship's maiden season in the Caribbean that will follow marks the first time Cunard is dedicating a ship to the region for a full season.

Cunard completed a makeover of Queen Elizabeth on March 14, which included revitalizations of dining venues and the introduction the Harper's Bazaar Wellness at Sea Program. The program offers various physical treatments, workshops and nutritional programming.

Places I've travelled to or want to...

I've been to many places in my career but I don't think I was ever *in Cahoots*.

Apparently, you can't go alone. You have to be *in Cahoots* with someone.

I've never been *in Cognito*. I hear no one recognizes you there.

I have however, been *in Sane*. They do not have an airport; you have to be driven there. I have made several trips there thanks to my friends, family and work. I live so close; it's a short drive.

I would like to go to *Conclusions*, but you must jump but I am not too much on physical activity anymore.

I have also been *in Doubt*. That is a sad place and I try not to go there too often.

I've been *in Flexible*, but only when it was very important to stand firm.

Sometimes I'm *in Capable* and go there more often as I'm getting older.

One of my favorite places to be is *in Suspense*. It really gets the adrenaline flowing and pumps up the heart! At my age I need all the stimuli I can get.

And sometimes I think I am *in Vincible* but life shows me I am not.

People keep telling me I'm *in Denial* but I'm positive I've never been there before.

I have also been in Deeps**t many times and the older I get the easier it is to get there. I actually enjoy it there.

So far, I haven't been *in Continent* but my travel agent says I'll be going soon.

Where can I send you next?
